

Love Birds

CHAPTER ONE

Lovebirds

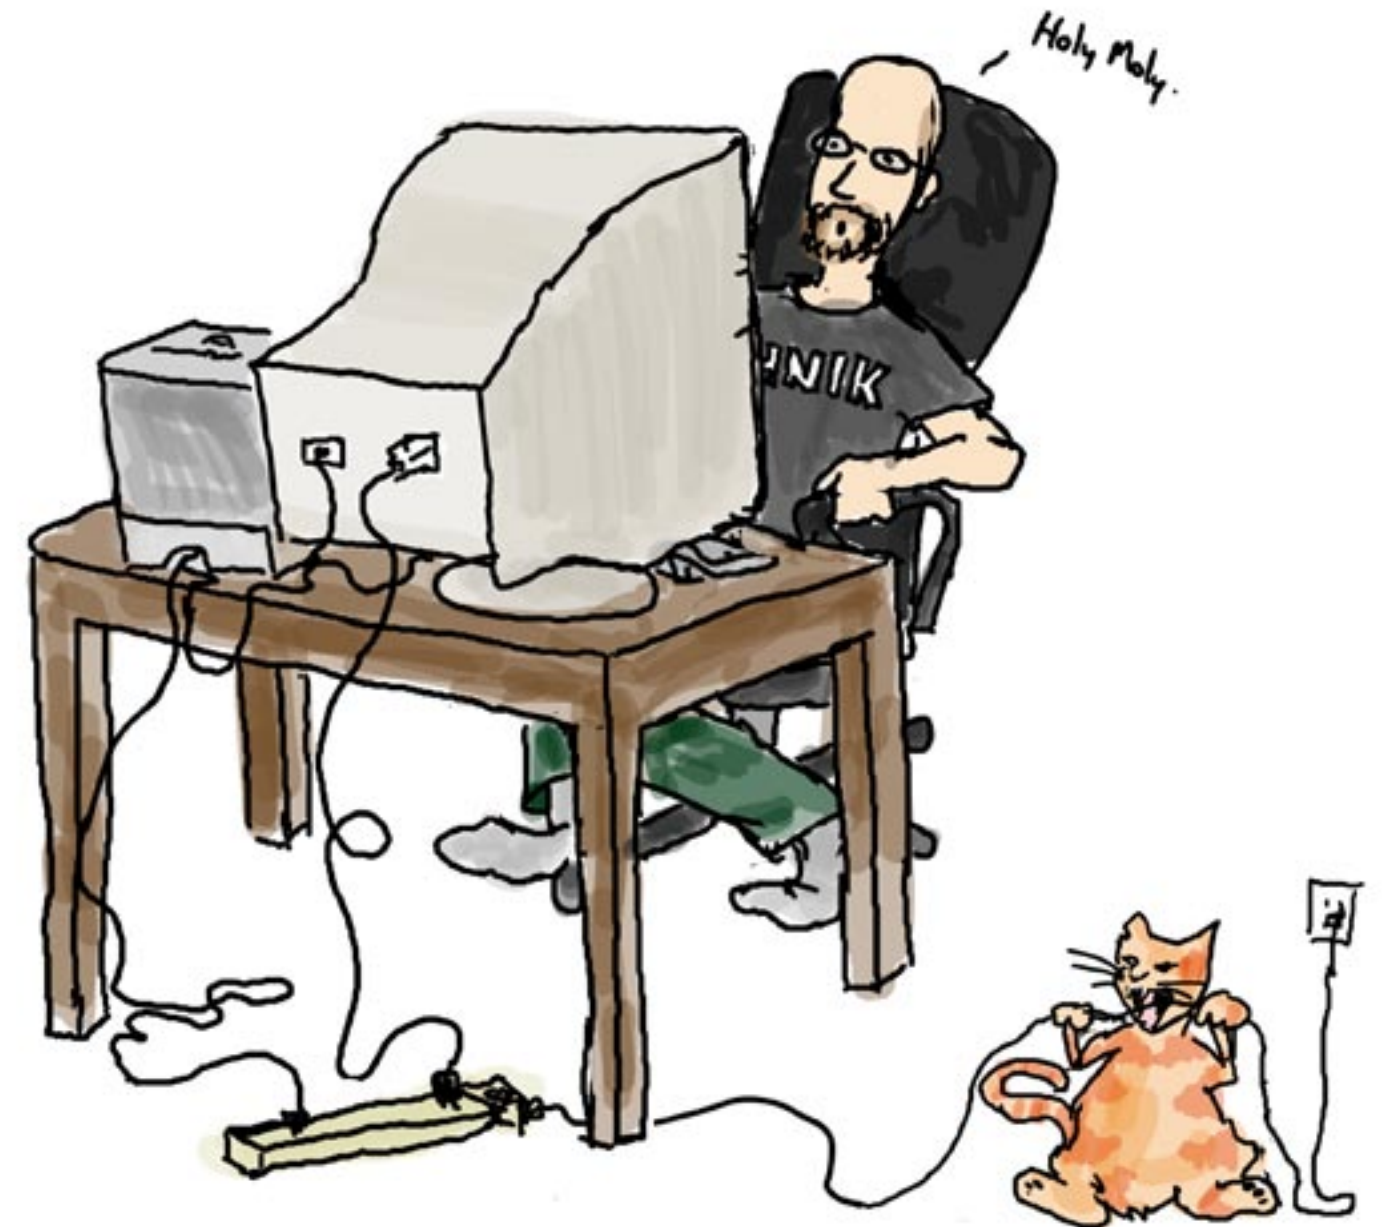

This is Nik.

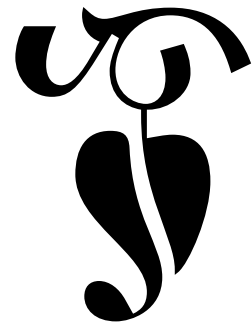

This is Sunda.

In a surprisingly romantic—and naughty—flurry and tangle of electrons, they met.

One of their first dates was the theatre.

CHAPTER TWO

the Knot

Nik and Sunda got married...

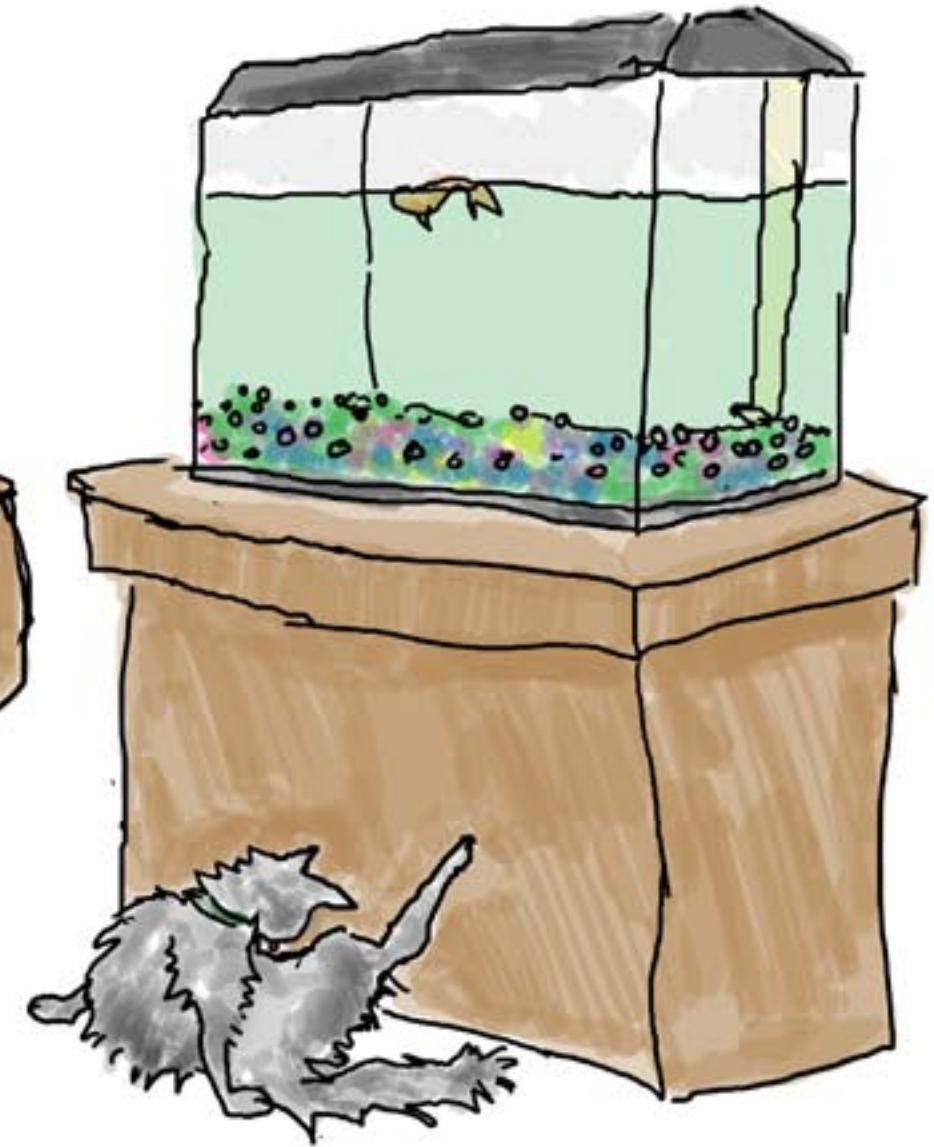

....and went to Scotland.

When they got home, they were happy, but tired.

Very tired.

“We should go to the theatre like we did when we fell in love,” they said. “And dinner. And we’re too tired to deal with this mess!”

“But we spent all our money on haggis and black pudding!”

Because of their deep love, and sorrow, Nik and Sunda were visited by their Ferber God-Family.

“You shall have what you wish!” the Ferbers said.

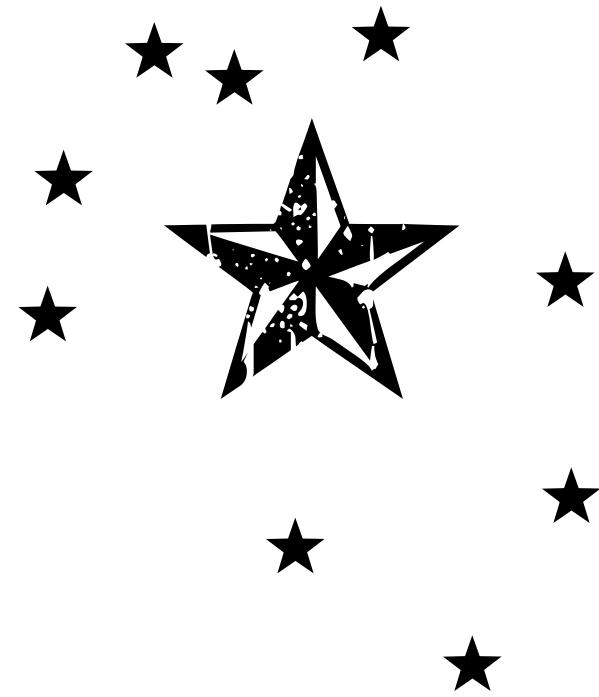

And with that, they waved their magic wand, and...

There suddenly appeared **three magic envelopes**.
